Glass to glass lock with stainless steel cover

IM-LS-3

Glass to glass lock with stainless steel cover

IM-LS-4

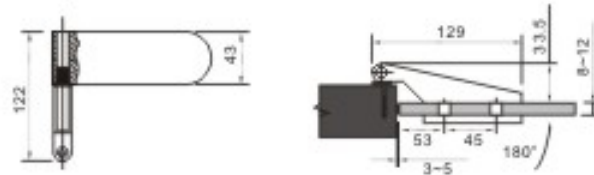

Glass to glass lock with stainless steel cover

Bifold hinge for main door

IM-HG-1

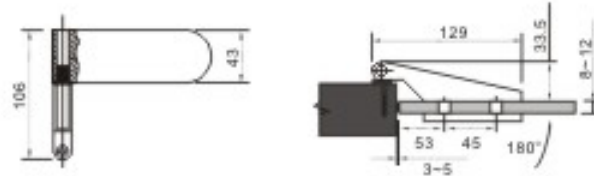

Bifold hinge

Material: Stainless steel and Brass

IM-HG-1A

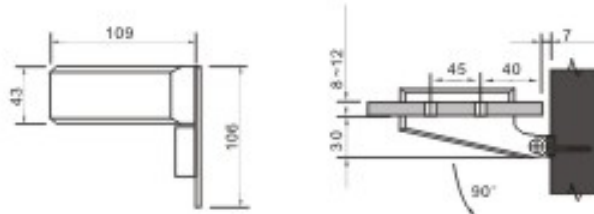

Bifold hinge

Material: Stainless steel cover and Aluminum body

IM-HG-2

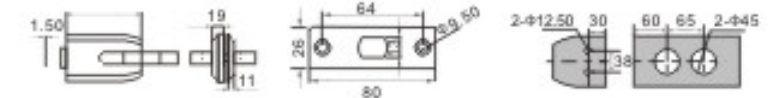

Bifold hinge

Material: Stainless steel and Brass

Bifold glass door lock

IM-L-1

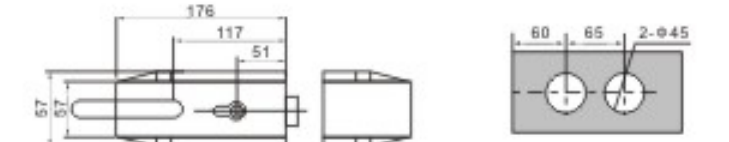

Glass to wall lock

Material: Zinc alloy cover and steel lock body

IM-L-2

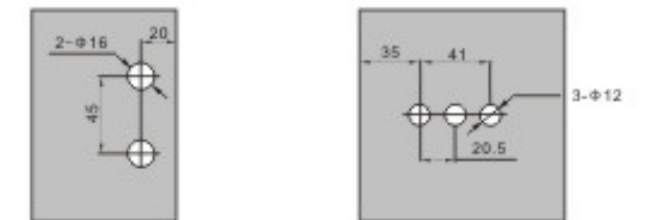

Glass to wall lock

Material: Zinc alloy cover and steel lock body

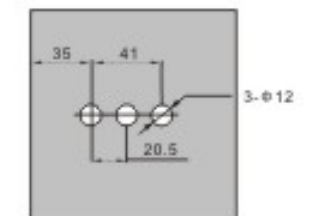

IM-LR-5

Glass to glass lock with stainless steel cover

IM-LR-5W

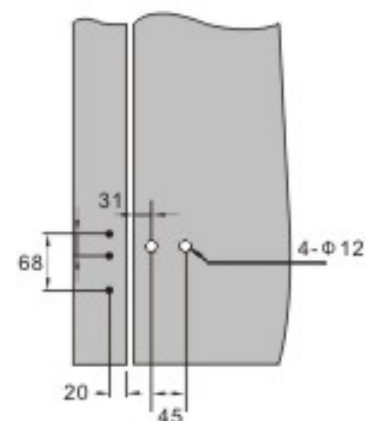

Glass to wall lock with stainless steel cover

Bifold glass door lock

IM-HG-3

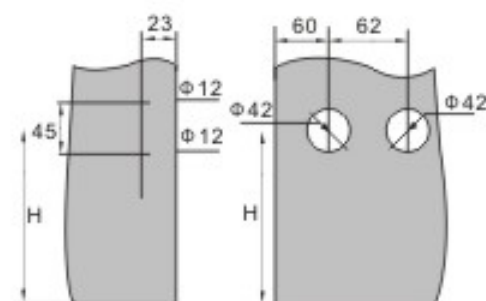

Bifold hinge

Material: Stainless steel cover and Aluminum body

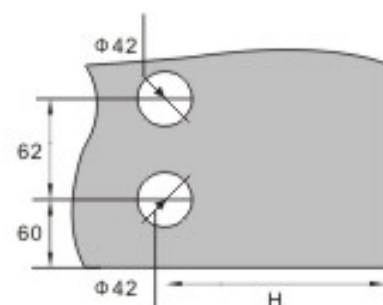

IM-LC-1

Glass to glass lock with stainless steel cover

IM-LC-2

Glass to wall lock with stainless steel cover

IM-LS-5

Glass to glass lock with stainless steel cover (without cylinder)

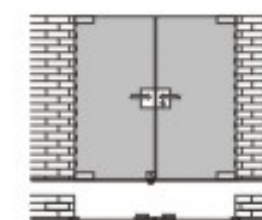

IM-LS-6

Glass to glass lock with stainless steel cover

IM-LS-7

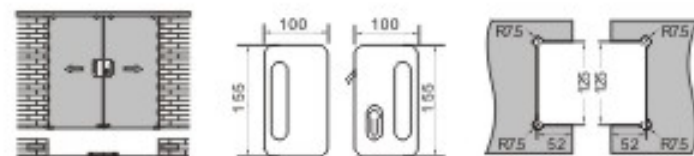

Glass to glass lock with stainless steel cover

Sliding glass door lock

IM-L-7

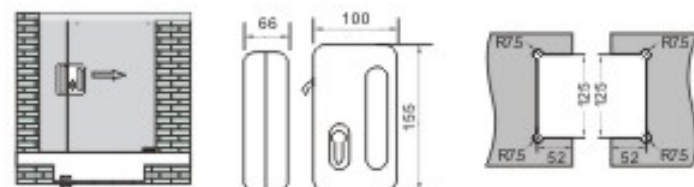

Glass to glass sliding glass door lock

Material: stainless steel

IM-L-7R

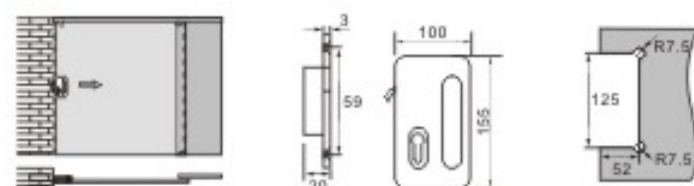

Glass to glass sliding glass door lock

Material: stainless steel

IM-L-7W

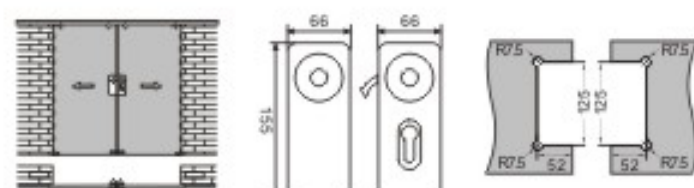

Glass to wall sliding glass door lock

Material: stainless steel

IM-L-15

Glass to glass sliding glass door lock

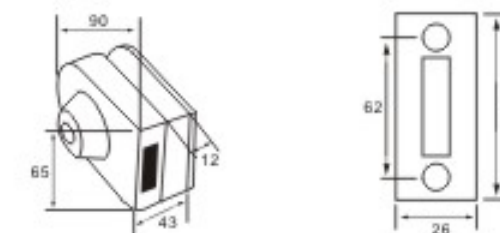

Material: stainless steel

Glass lock

No glass cut out door lock

IM-L-3

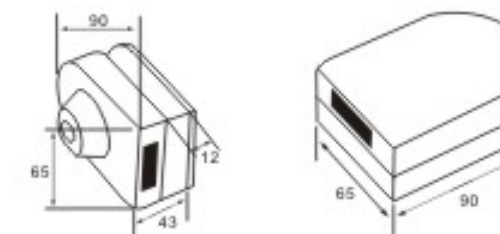

Glass to wall door lock

Material: stainless steel cover with steel body

IM-L-4

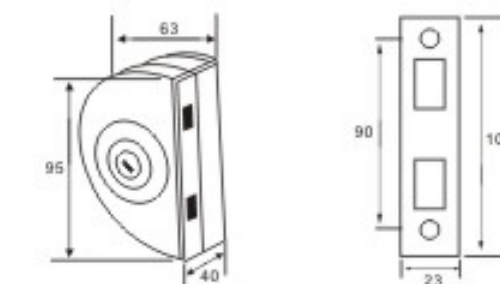

Glass to glass door lock

Material: stainless steel cover with steel body

IM-L-5R

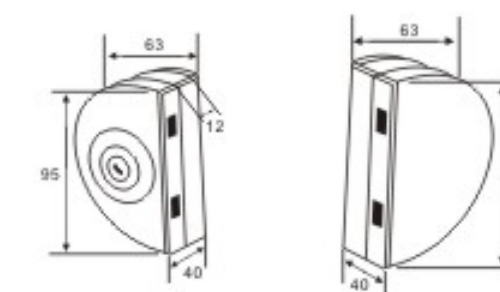

Glass to wall door lock

Material: stainless steel cover with steel body

IM-L-5

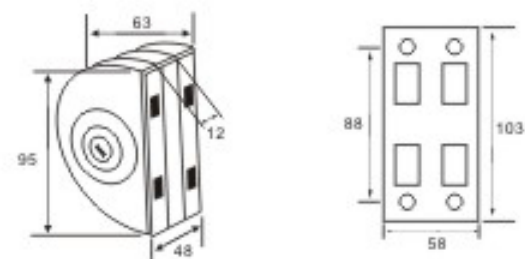

Glass to glass door lock

Material: stainless steel cover with steel body

No glass cut out door lock

IM-L-6RK

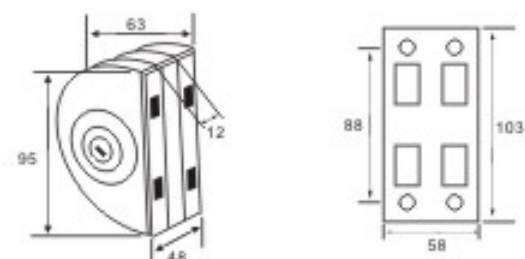

Glass to wall door lock(1 side cylinder and 1 side knob)

Material: stainless steel cover with steel body

IM-L-6R

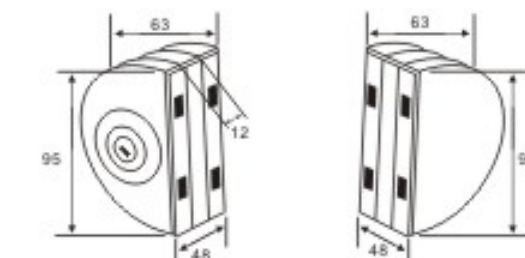

Glass to wall door lock (2 sides cylinder)

Material: stainless steel cover with steel body

IM-L-6K

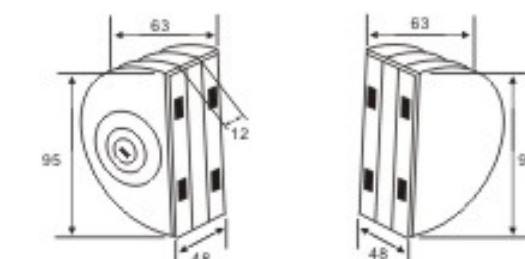

Glass to glass door lock(1 side cylinder and 1 side knob)

Material: stainless steel cover with steel body

IM-L-6

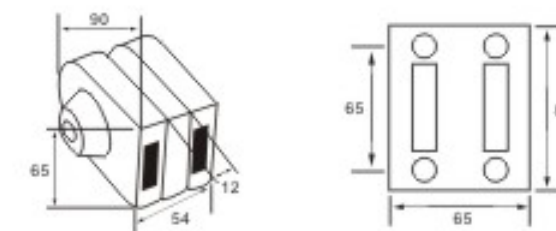

Glass to glass door lock (2 sides cylinder)

Material: stainless steel cover with steel body

Glass lock

IM-L-9K

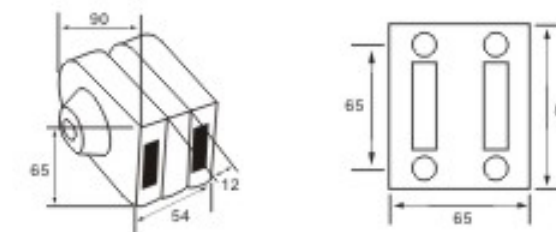

Glass to wall door lock(1 side cylinder and 1 side knob)

Material: stainless steel cover with steel body

IM-L-10

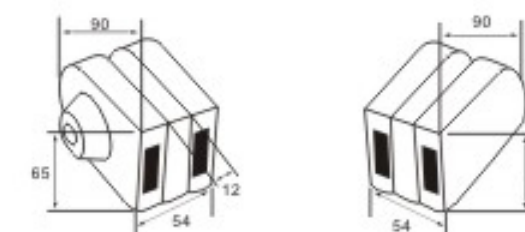

Glass to wall door lock (2 sides cylinder)

Material: stainless steel cover with steel body

IM-L-11

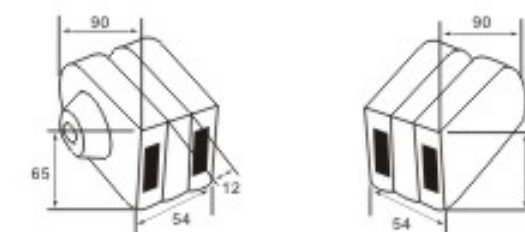

Glass to glass door lock(1 side cylinder and 1 side knob)

Material: stainless steel cover with steel body

IM-L-12

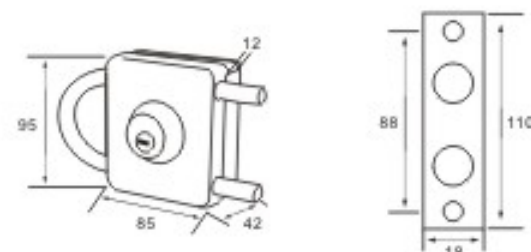

Glass to glass door lock (2 sides cylinder)

Material: stainless steel cover with steel body

No glass cut out door lock

IM-L-13

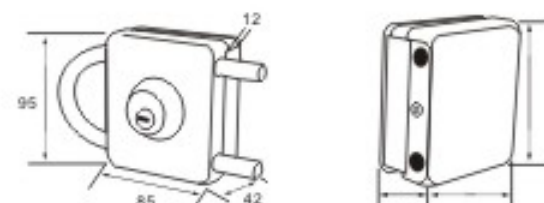

Glass to wall door lock

Material: stainless steel cover with steel body

IM-L-14

Glass to glass door lock

Material: stainless steel cover with steel body

Glass handle lock
